can more accurately manage your practices' expected and posted income. Accurate money management can make a big difference in the quality of your patients' life. With DentiMax, you can do it all with just one screen. Simply display your money expectations and your posted income, DentiMax will do the rest. DentiMax allows you to clearly see a month's planned expenditures and income. If you're running behind with your payments or you have unexpected expenses, you can see how they will impact your posted and expected income. This will help you to better monitor your practices' money. DentiMax Billing DentiMax allows you to easily bill patients accurately. By using a very simple chart, you can easily bill for the exam, procedure, consumables, and more. The chart is used to record the time spent on the procedure. It will also record the patient's information including x-rays taken, number of times, and more. DentiMax is billed directly to your practice. You will not pay a third-party service or an accountant to run your accounting. DentiMax is so easy to use that the receptionist can do all the billing. This will help you gain patients faster and get them into your office more often. Your receptionist can also remind your patients how much their dental care will cost them. DentiMax covers the following: \* Be sure to view the DentiMax Shopping Cart to get your free trial! Credit card: \* MasterCard \* Visa \* Discover \* American Express We have a 30-day money-back guarantee. A DentiMax representative will help you get started for free if you b7e8fdf5c8
